Arc of Oswego County's Seniors Program celebrated Thanksgiving early with a complete Thanksgiving dinner. Supported individuals shopped for the ingredients and helped cook.

Activities like this are made possible by a grant from the NYSARC Trust Services.

## Helping Area Seniors from page 1

Oswego Industries, Inc. added 17 turkeys to the donation, which will be made into baskets and delivered by Oswego County Office for the Aging and NY Connects with help from Oswego Industries staff and individuals enrolled in our comm hab program to area seniors in need. Adding the turkey brings the total weight donated to over 780 lbs. of food and personal hygiene that will be distributed in the coming weeks.

Elizabeth Weimer, a senior aging services specialist with Oswego County Office for the Aging and NY Connects, said "These items are going to be distributed to the lowest-income seniors in rural areas. There are approximately 150 seniors that will benefit from this donation."
